

DONATE – WILL OR TRUST

The 2L Foundation offers multiple ways for you to donate to the overall mission and individual programs provided by the charity.

A charitable donation is a contribution of money or goods to a tax-exempt organization, such as a 501c3 charity, that can reduce your taxable income. To claim a deduction, you must not receive any benefit as a result of your gift.

DONATING FROM YOUR WILL OR TRUST

Donors may include an unrestricted or directed bequest to 2L Foundation in their will or trust. This can be done either by specifying a dollar amount or a percentage of the balance remaining in the estate or trust. Under current law there is no upper limit on the estate tax deduction for a charitable bequest, thus making a gift to charity a crucial part of any estate planning.

WHAT ARE THE BENEFITS?

- 1 A donor can designate the donation as restricted or unrestricted.
- 2 A donor can indicate a specific amount or a percentage of the balance remaining in an estate.
- 3 This allows the assets to remain in the donor's control throughout a lifetime.
- 4 A charitable designation within a donor's will does not affect current cash flow.
- 5 Under current tax law, there is no upper limit on the estate tax deduction for charitable bequests.

WHO SHOULD CONSIDER A GIFT FROM THEIR WILL OR TRUST?

- A.** A donor who doesn't need an immediate tax deduction and is more concerned with long-term planning. **B.** A donor who does not want immediate cash flow affected.
